The students are acquainted with the essential teachings of Sri Ramakrishna, Maa Sarda Devi and Swami Vivekananda during the course of their studies in our school. We are also delighted to implement the Value Education Programme, **Awakening** for our students of Classes I to VI, fostering values that inspire responsible citizenship, confident personalities, and compassionate human beings in collaboration with Vivekananda Institute of Values (VIVA), Ramakrishna Mission, Gurugram.

Every year, students of Class V undertake the Vidyarthi Vrata—a solemn ceremony in which they resolve to follow healthy physical and mental habits, reaffirming their commitment to a life of discipline, character, and dedication to higher ideals.

DISCIPLINE

Perfectly disciplined and morally strong children are the valuable assets of a nation. Cooperation of the guardians is necessary to cultivate these qualities, in order to raise them as good citizens.

EXCURSION

Excursion for students will be arranged for educational purposes. Adequate number of teachers and staff accompany them. All possible attention will be given to make their trips safe and enjoyable.

EXTRA-CURRICULAR ACTIVITY

Creative activities, beside the academic affairs, play an important role in the personality development of a student. Bearing this in mind, various co- curricular activities are framed. The students can participate in them according to their preferences. There are provisions for vocal music, dance, drawing and painting, literary work, recitations and elocution, drama, project work, science exhibition, gardening and others.

LIBRARY

The school library is located on the first floor of the school building. It has rich collection of books appropriate for the young children. All classes have one library period in a week.

ANNUAL CELEBRATIONs

Every year, a **School Exhibition** is organized where our students present their projects in both curricular and co-curricular subjects. The **Annual Prize Distribution** for excellent performances in academic and co-curricular activities is held once a year. A very attractive cultural presentation by the students and the teachers are staged on this occasion.

MEDICAL FACILITIES

LEAVE REGULATIONS

Leave of absence is granted only on the following grounds:

1) illness

A guardian is free to withdraw his ward at the end of the session after clearing all dues. In such cases, the request should be made in writing by 31st January.

In case the withdrawal is made in the middle of a session, he will be liable to pay full fees for the remaining months of the academic session.

REMOVAL/SUSPENSION

The Secretary in consultation with the Disciplinary Committee is empowered to remove/suspend a student on grounds of gross disobedience and misconduct, or, in his opinion, if the student has failed to accept the norms of discipline of the institution and his stay is detrimental to other students. The parent/guardian may be asked to withdraw his ward on grounds such as:

a) Failing to secure pass-marks in a number of exams.

b) Serious moral lapses.

c) Leaving the school premises without permission from the competent authority.

d) Grave insubordination, stealing or extortion, defying Vidyapith authority.

e) False information of any type furnished in Application form.

GUARDIANS' ROLE

Full co-operation of the parents and guardians is essential in order to attain the high academic standard as well as the ideals and aims of Vidyapith. Parents are requested to keep an eye on their wards so that the ideals, as stated in the foregoing pages, are followed by their wards when they go home. Early rising, good manners and gentlemanly behaviour, truthfulness and cleanliness should be observed when at home. Students should not be allowed to be in wayward company. Unless the guardians have faith in the educational ideals of the Vidyapith, and unless full co-operation is received from them, the training at Vidyapith cannot be effective. They are also requested to pay the school fees in time.

TELEPHONE CALLS

Use of mobile phones is strictly forbidden for students inside the Vidyapith. They should not bring them to the school.

TRANSPORT

Vidyapith has two 50-seater school buses, which are running on selected routes. Guardians may avail themselves of this transport facility for their wards on payment of the prescribed transport fee. Efforts are being made to procure more buses.

THE EMBLEM

"The wavy waters in the picture are symbolic of Karma; the lotus, of Bhakti; and the rising-sun, of Jnana. The encircling serpent is indicative of Yoga and the awakened Kundalini Shakti, while the swan in the picture stands for the Paramatman (Supreme Self). Therefore the idea of the picture is that by the union of **Karma, Jnana, Bhakti, and Yoga**, the vision of the Paramatman is obtained."

- *Swami Vivekananda*
